## CORPORATE SOCIAL RESPONSIBILITY

At the Thompsons of Prudhoe Group of Companies (“the Group”), it has always been our ethos to “do the right thing” in all situations and context. “Working together” and “collaboration” are established and guiding attitudes in the Group. We recognise the wider social but also narrower commercial benefits that can come from integrating our family values within all our business operations to meet the expectations of, and be mindful of all our stakeholders - whether customers, employees, funders, suppliers, regulators, local neighbours and the wider community as well as the environment – again both local and wider.

- We recognise that our social, economic and environmental responsibilities to these stakeholders are integral to our business. We aim to demonstrate these responsibilities through our actions and within our corporate policies.
- We take seriously all feedback that we receive from our stakeholders and, where possible, maintain open dialogue to ensure that we fulfil the requirements outlined within this policy.
